

# Disc Golf Rules and Etiquette:

## Objective of the Game

Disc Golf is played like traditional “ball” golf, but with flying discs instead of balls and clubs. One point (stroke) is counted each time the disc is thrown and when a penalty is incurred. The goal is to play each hole in the fewest strokes possible. The player with the lowest total strokes for the entire course wins.

## SAFETY FIRST

**Never throw when players or park users are within range. Always give park users the right of way. Be aware of your surroundings and environment.**

## Tee Throws

Each hole begins with a tee throw. Tee throws must be completed within or behind the designated tee area.

## Lie

The lie is the spot where the player’s previous throw has landed. Mark lie with a mini disc or turn over the thrown disc, directly towards the hole or designated fairway. The player’s subsequent throw is made from directly behind the marked lie.

## Fairway Throws

Fairway throws must be made from directly behind the lie. A run-up and normal follow-through, after release, is allowed, unless the lie is within 10 meters of the target. Any shot within 10 meters of the target requires that the player not move past the lie until the disc is at rest.

## Completion Of Hole

A disc that comes to rest in the basket or chains constitutes successful completion of that hole.

## Out Of Bounds

If any area of O.B. is visible between the disc and O.B. line, then the disc is considered O.B. A throw that lands out of bounds, must be played from a point 3 feet in bounds from where the disc went out of bounds. Permanent water hazards and public roads are always out of bounds.

## Penalties

Recreational players will not be penalized for rule infractions. Other players will keep you honest.

## Course Courtesy

- Remain quiet and avoid unnecessary movements while others are throwing.
- Stand behind the player who is throwing until throw is complete.
- Remove disc from Disc Pole Hole® after completing the hole.
- Help new players learn the rules.
- Allow faster groups to play through when possible.
- Pick up trash and put in proper receptacles.
- Do not alter the course (trees, bushes, etc.) in any way.

## Remember the most important rule:

“The one who has the most fun wins!”
